

Fiberlite Umbrellas

The **first** name in fiberglass

Designed to go directly in the pool!

- Industry-best 5-year warranty
- With Fiberlite Umbrellas, you can swap or repair ribs without having to replace the entire umbrella!

ACCESSORIES

KAI POOL CHAISE

The ultimate in cool and contoured relaxation, our Kai Pool Chaise with integrated cup holder can be used on tanning shelves or ledges up to 9" deep.

POOL SLEEVE

Our pool sleeve securely fastens umbrellas into the holes in your pool or ledge with no wobble or tilt.

NO

- SWELLING
- DISCOLORATION
- CORROSION
- RUST
- OXIDATION

UNAFFECTED FIBERGLASS

Fiberglass poles stay like-new when placed directly in the pool.

CORRODED METAL

Aluminum poles corrode with chlorine deposits and oxidation in the pool.

ROTTEN WOOD

Wood poles swell, rot, and discolor in the pool.
